Comments	<input type="text" value="We object entirely to this application. The proposal destroys the landscape in the area, one which has seen a huge amount of development in recent years. The Banbury and Bicester area has had several similar warehouse developments all encroaching on the green space surrounding the towns. This particular development, moving closer to the villages of Nethercote, Overthorpe and Middleton Cheney, threatens to destroy the beautiful rural area. The impact on traffic to the nearby villages and environmental consequences are also hugely unwelcome. I understand similar schemes still have unoccupied warehouses, therefore cannot understand the need for further developments."/>
