<b>Comments</b>	<input type="text" value="This will have an absolute negative impact on the entire area particularly to nature. There are far too many poorly constructed projects, that won't age well, being thrown up around Banbury already, which are ruining the town and local area. The M40 was meant to be a barrier to this onslaught of vulgar construction and farm land needs to be farmed on not built on.&lt;br/&gt;Already 3 absolutely horrendous constructed warehouses that ruin the views from surrounding elevated areas such as the Bourton Villages sit empty. I would vote for these to be demolished and turned back to fields.&lt;br/&gt;Plus the impact to traffic on that motorway roundabout which is terrible already and would cause massive climate issues due increased HGV's when at the moment it is GREEN producing much need oxygen as nature intended.&lt;br/&gt;How about redeveloping the rushed and poorly constructed council estates which are a bolt on the landscape and it probably will reduce the crime rate too."/>
