| <b>Comments</b>           | <input type="text" value="All of the objections raised against previous applications still hold and have not been addressed in any way that I am aware of.&lt;br/&gt;The M40 roundabout cannot maintain good traffic flow at busy times currently and to add to that would be tantamount to sabotage it would appear.&lt;br/&gt;The bus service have already used the weight of traffic on the A361 and A422 as the reason they cannot run a better bus service through Chacombe.&lt;br/&gt;Flooding is a continual concern and this development would certainly not help.&lt;br/&gt;There is a very strong argument for protecting nature as already Banbury has pushed right up to the M40 and Frontier Park has breached this but the A361 is a barrier that must be maintained."/> |
