<b>Comments</b>	<input type="text" value="The junction 10 roundabout is already often gridlock and the road surface is poor and often has large potholes on it due to the HGV traffic. Adding further traffic will only exacerbate these issues&lt;br/&gt;&lt;br/&gt;My main objection is that the warehouses that have built nearby recently appear to be unused - what is the point of building more when no companies seem to want them.&lt;br/&gt;&lt;br/&gt;Will these warehouses actually lead to quality skills job as or just low skill ones.&lt;br/&gt;&lt;br/&gt;There is also environmental impacts of further pollution and loss of important biodiversity."/>
