Comments	<input type="text" value="My objection this proposal is based on the following:
Firstly the site is explicitly excluded from the Cherwell local plan 2011-2031
2. The transport plan is poor
3. Traffic at present has already caused problems when trying to get to the A361 from Chacombe due to the volume of vehicles using the road. Local people have missed trains, hospital appointments even when allowing extra time which in my own experience has caused great distress

4. There is relatively low unemployment rate in the area which would result in skilled workers having to travel to the area and therefore adding to the traffic problem
5. The site would be detrimental to the wildlife and also loose some of the historical features in the eaves"/>
