<b>Comments</b>	<input type="text" value="10 warehouses? This is desperate profiteering without any consideration for the environment and the local people. And we really do not need these warehouses. We need investment in the local infrastructure, not vast sheds/warehouses that will not get used (many in this area are not even in use) and will not benefit the people of Banbury.&lt;br/&gt;&lt;br/&gt;I object due to:&lt;br/&gt;&lt;br/&gt;Inadequate road access at J11 and surrounding area&lt;br/&gt;Pollution - we're already close to a busy motorway - we don't need any more vehicles and fumes causing a danger to public health&lt;br/&gt;The environment - these warehouses will be there until the end of time - having a huge impact on the flora/fauna and the historical landscape (offsetting this in any way is just lip service)&lt;br/&gt;This blatant attempt to bulldoze the local planning process"/>
