Comments	<input type="text" value="I've lived in Overthorpe for approximately 12 years now and I've seen the horrendous traffic impact that the new warehouses off J11 (Hello Fresh etc) have brought to our village and the surrounding roads into Banbury. It seems to me that no provision is ever made to improve roads and traffic flow when these types of development are built, even though it is blatantly obvious that more traffic will arise from the staff employed and deliveries going in and out.
I am all for jobs being created but not at the expense of others lives being adversely affected
As for the impact on environment, it's such a shame that beautiful countryside will be blighted by these monstrosities.
If this application was to go ahead and then what's stopping another and another development being built and more disruption, loss of countryside and wildlife habitat. It's time to stop now!"/>
