Hi Rebekah,

I have looked over the planning application above and have the following comments:

---

**Planning Application:** 23/03514/F

**Location:** Unit 5A & Unit 5B, Oxford Technology Park, Langford Lane, Kidlington, OX5 1GN

**Description:** Full planning permission for additional structures within the service yard at conjoined unit 5A and 5B

**Planning Officer:** Rebekah Morgan

---

### Recommendation

Oxfordshire County Council, as the Local Highways Authority, notify the District Planning Authority that they **do not object** to the granting of planning permission.

### Comments

The additional structures propose no changes to the access and minimal changes to the parking arrangements of this site.

This proposal is unlikely to have an adverse impact on the highway in terms of safety or traffic terms. Therefore, OCC **do not object** to the granting of planning permission.

If you would like to discuss this application further, please do not hesitate to contact me.

Kind regards
