

**Application no: 23/03579/DISC**

**Location:** Land North Of Bicester Avenue Garden Centre, Oxford Road, Bicester

---

## **Transport Development Management**

### **Recommendation:**

Objection to discharge condition 19 of ref 17/02534/OUT.

### **Detailed comments:**

Besides this application providing the location details of the pedestrian connection between the A41 and into the development, the application had not given any further detail such as the width of the facility including the surfacing and how it intends to terminate within the development.

Such detail is required to satisfy myself that the facility is suitable for its purpose and capable of being used all year round.

With respect to the additional link to the Bicester Avenue Garden Centre, I agree with the rationale for not providing that connection.
