<b>Comments</b>	<p>Thank you for consulting me on the above planning application. I have reviewed the proposals, and have insufficient information to provide comment at this time. Prior to permission being granted, I ask that the following information is provided;</p> <ol style="list-style-type: none"><li>1. Boundary treatment plan for the site</li><li>2. Hard and soft landscaping plan for the site</li><li>3. Lighting plan for the site</li><li>4. Waste storage and management plan for the site</li><li>5. Confirmation as to whether any livestock such as horses are to be kept on site. If so, details of paddocks and enclosures to prevent horses escaping onto the highway should be provided.</li></ol> <p>I strongly recommend the applicant consults the guidance of Secured by Design and incorporates the recommendations, particularly in relation to the site boundaries, gates and lighting. The guidance can be found here:</p> <p><a href="https://www.securedbydesign.com/guidance/design-guides">https://www.securedbydesign.com/guidance/design-guides</a></p>
