Comments	<p>In addition to my letter objecting to this application, I feel the planning committee and case worker have been misled by the omission of the following from the Site History element of this portal. These applications, and their resulting decisions are pertinent to this application, and should be made available to all parties.</p> <p>17/00145/F -- an original application for 16 pitches that was refused; 17/01962/F -- a subsequent application for 6 pitches that was originally refused by CDC but allowed on appeal; 20/01122/F-- an application for 12 pitches that was refused by CDC and rejected again on appeal</p> <p>I look forward to seeing these being added to the portal for for full disclosure.</p>
