Comments	<input type="text" value="We object to the proposal of application 24/00097/F for the following reasons.
- There are currently no local amenities within walking distance of the proposed site.
- The increased traffic through the village will make it dangerous. The village doesn't have footpaths throughout, so walking on the road is a must.
- Building such a large area of hardstanding will risk run off flooding of the B4011, a currently busy and fast road."/>
