Subject: conservation consultation response 24/00121/DISC

Dear Lewis

Thank you for consulting the conservation team on the above application, apologies for the delay in our response.

The details of conditions submitted in order to discharge conditions 4, 9, 15, 18, 21, 22 and 23 of 22/02101/OUT are not specifically related to built heritage and conservation. Therefore, in terms of impact on heritage assets there are no objections to the conditions being discharged. However, it is assumed that OCC archaeology have been consulted with regards to the archaeological conditions.

It is not considered necessary for us to provide detailed comments on this discharge of conditions application but if you consider that further advice is needed, please do not hesitate to contact the Conservation Team.

Kind Regards

Emma Harrison
