Dear Sir/Madam,

Ref: 24/00228/DISC Bicester Gateway, Phase 1B of Bicester 10 and land to the South, Wendlebury Road, Chesterton

The written scheme of investigation submitted with this discharge application is acceptable and does meet the requirements of condition 17.

We are therefore satisfied that this condition (17) can be partially discharged (relating to phase 1B).

Condition 18 however requires that the archaeological investigation is undertaken in line with the approved WSI and the final report and archive produced. This has not been yet undertaken and we would therefore not recommend this condition (18) be discharged at this stage.

Kind regards,

Victoria
