Comments	<input type="text" value="Planning was applied for this site and refused on several accounts including its close proximity to the listed garden quarter and bicester heritage. This hasn't changed. The eco Town continues to expand and there are many parcels of land off homes lane earmarked for housing. Houses are not selling as it is in this current climate so why build more or will the developer purchase the land and hold onto it for years till the time is right? Caversfield will cease to exist as a village, is this what the council want?"/>
