Comments	<input type="text" value="There are currently a number of major building projects in Bicester. Eco village off the B4100, planning for 3000 houses between Bicester and Bucknell plus major development around Chesterton and Bicester so this is not required. In addition Fringford Rd is a small country lane that is struggling to cope with the existing traffic let alone adding another 200 cars. Local facilities are stretched to breaking point such as schools, doctors surgeries etc it is simply not required. This area has always been designated rural/countryside and should stay that way."/>
