<b>Comments</b>	<p>Caversfield cannot sustain this development! We currently have no local amenities, such as shops, post offices, doctors, schools etc. To add 99 families to an already stretched infrastructure, no matter how green or environmentally friendly the development would be, would be an injustice to the current residents, the beautiful countryside and Bicester Heritage's history.</p> <p>Bicester's Doctors, Dentists and Nurseries cannot accept another 99 households. As a London commuter myself, I know that trains from Bicester are full and standing room only. Thames Water and other utility providers have made it abundantly clear that we are at capacity too.</p> <p>There is no logical reason for this development when homes in the kingmere and elmsbrook estates are still up for sale. I sincerely hope this application is rejected.</p>
