Comments	<p>I have a number of points to make re this application.</p> <ol style="list-style-type: none">1. The amount of traffic this will produce is unacceptable for Aunt Ems Lane and Fringford Road. There could be up to another 200+ cars.2. Why do we need theses houses when there are all those empty properties on the American bit, what happens when people move into them? More cars to deal with3. We moved here to live in a small village, we don't want a pub nor a shop, there will be no facilities here. This is a category 3 village4 there is also problems of some areas flooding where these properties are planned.5. The destruction of trees wild flowers and no thought of wildlife in this area, of which we love6. We do not want to be swallowed up by Bicester, we moved to a village 25 years ago and do not want to be overwhelmed by traffic and houses
