| Comments | <p>I have lived around Bicester for 35 years . In that time I have moved several times . Trying to have a life that was peaceful why I moved to Bicester in the first place but no Estate after Estate went up then Bicester Village. .It has been none stop for locals.now I do not recognise Bicester. The roads jammed constantly.I moved to caversfield 2 years ago to get peace but no now 99 homes street lights cars mud lorry's traffic. I wish I never came to Bicester. Or caversfield It has made me live in a constant expanding existence. In a battle ground. This area is ment to be a band c and a green buffer belt where you intend to allow 99 homes .more wild life will be moved on and killed on our local roads due to more car movement.I hope you can give caversfield and it's residents a voice and say no for once.we don't want this .</p> |
