<b>Comments</b>	<input type="text" value="I strongly object to the plan to build houses on south lodge, caversfield. 99 houses is a huge amount for a small village. It would spoil the look of the village. Our roads don't have the capacity for a couple of hundred extra cars (2 per family is the minimum nowadays). Flooding could be an issue as often the Banbury road close to the caversfield church has excess water on it which would get worse if south lodge was built on."/>
