

**Application no: 24/00281/DISC**

**Location:** Os Parcel 7400 Adjoining And South Of, Salt Way, Bodicote

---

## **Transport Development Management**

**Recommendation:** No objection. Condition 49 part B of 14/01932/OUT may be discharged

The revised CMP now includes a programme that would ensure that deliveries of materials occur outside of the peak traffic periods (8-9am and 4-6pm). In light of this, I consider the submitted CMP satisfactory to discharge the above mention condition.

**Officer's Name: Rashid Bbosa**
