| Comments | <input type="text" value="Oxford needs a stadium for football, when it was at the manor in Headington there was disruption for half a day but it was welcomed. This is ideal as it has a railway station and bus links and the road is never busy . We would welcome this as an asset to Oxford and the employment it will bring .also the other facilities it will offer will be a great benefit. Oxford is the laughing stock with a three sided stadium at the minute."/> |
