100% renewable energy aim is commendable

Oxford United promoting 90% of attendees arrive by public transport

Excellent links to current transport, infrastructure, and further opportunities to improve current access to site.

The opportunity to bring jobs, community and social spaces to Cherwell District

The club need the stadium or they will likely die - they are the only professional sports team in the county.

The club have committed to improving current sporting facilities in the vicinity

The stadium will be significant on demonstrating the district council is a keen supporter of modern, ecologically aware design for new major projects."/>
