Comments	<input type="text" value="Although I am not a football fan and I do not attend matches, I believe that this stadium proposal by Oxford united can only be a good thing for the whole of Oxfordshire to have top class facilities that many other counties would be envious of, I also believe that it would be disastrous to let Oxford United die if they do not get this planning consent. I was born in Oxford and I am very proud of the County and Oxford United is an important part of Oxfordshire."/>
