<b>Comments</b>	<input type="text" value="A new stadium development near Kidlington would give a badly needed boost to our National Game, not only for the city but for the county as well. We have lost several semi professional clubs over the past decades, teams like Witney Town, Bicester Town, Chipping Norton Town, Bicester Town, and Abingdon Town, with their grounds in most cases sold for housing developments. Hopefully in their new home Oxford Utd will build on their current upward trend and become an established Championship team, which will help grow the game in the Oxford area."/>
