Address	<input type="text" value="16 Laurel Drive, Southmoor, Oxfordshire, OX13 5DG"/>
Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I strongly support this planning application.

If a decision is taken to delay or not approve the application it will put at risk a club which brings a wide range of people across Oxfordshire (and beyond) together.

The proposed development boasts uniquely excellent sustainable transport links which will mean that I, my family, and my friends will switch from driving to the Kassam stadium to using public transport.

This will both reduce congestion on Oxfordshire's roads and lower carbon use for a site which has commitments to improving biodiversity and providing a world-class, sustainable community facility for the people of Kidlington and Oxfordshire as a whole. It will also boost the regional economy and provide jobs and investment during difficult economic times.

My two daughters are also very excited by this development and are particularly happy to see that both the women's and men's team will play at the same stadium, helping to promote equality and ensure associated health and wellbeing benefits.

I urge you to approve this once in a lifetime opportunity for the people of Oxfordshire."/>
