Comments	<p>I would like to show my strong support for this stadium. What a wonderful opportunity this is for the whole of the county and its people.</p> <p>As a massive OUFC fan, I would be delighted with watching football in the new stadium, but this isn't just any old football ground. This is a world class 150m development fit for a world class city that myself and my young family would use multiple times a month. Currently I don't take them to the Kassam Stadium as its simply not fit for purpose.</p> <p>And because of the location and the fact that I have family in Yarnton, I would drive to and park in Yarnton on a private driveway - and then either walk, bike or get a lift to the ground with my family instead of taking a large vehicle to The Kassam Stadium.</p> <p>Needless to say, this is so desperately needed and would be a real positive, forward thinking statement by government to get this through planning. It would demonstrate a real tangible commitment to the county and its people.</p> <p>Best Wishes,</p> <p>Gregg</p>
