<b>Comments</b>	<input type="text" value="No thought has been taken for people living near by, traffic and parking, noise and light pollution the wildlife that lives there and the poll that voted NO by the local people. Oxford united are crazy if they think people won't drive to Kidlington and park in the closest housing estate, have you seen how much it costs for 4 people to catch a bus!! They say that Kidlington people will need parking permits to park outside their own homes, who is paying for this? And family/friends wont be able to visit as often. Noise travels not everyone wants to hear football crowds in their own gardens /homes. Where are you planning on moving the wildlife to, this is there home not ours. Oxford united don't need to move, kassum has said he wants them to stay. Closing roads to let fans in/out, what about the local people who just want to get home and not have to go the long way round to achieve this, we will become prisoners in our own home/village. What happens when Oxford have grudge matches? Who will pay for all that extra police around the village? Kidlington is a village it can not support a huge football stadium. NO"/>
