<b>Comments</b>	<input type="text" value="I'm a 54 year old season ticket holder who was born in Oxford but unfortunately live up north but I come to Oxford every home game and come to Oxford in the summer aswell with my family my heart is still in Oxford and will be till the day I die, if the planning application is successful ,this is a once in a lifetime opportunity to build a state of art world class stadium like no other stadium's ,a green stadium which will be the first all electric stadium ,the biodiversity it will creat will be a major milestone that is to good to turn down I think for Oxfordshire and the transport links are going to be fantastic something spectacular,a once in a lifetime opportunity not just for us but for our children something for there future ,the jobs it will create the revenue for kidlington and Oxfordshire is not to be missed and will create a community that will encourage different people from different backgrounds to come together not just for football but as a community in other areas,I hope this can be built&lt;br/&gt;Regards&lt;br/&gt;Robert frobisher"/>
