Comments	<input type="text" value="LETTER OF SUPPORT FOR THE PROPOSED BUILD AT THE TRIANGLE.

I am a 44 year old Kidlington resident through and through. I live here, I shop here and my business is here.

I welcome the proposed investment into my tired and ugly village. Investment upwards of 150m would definitely help revitalise the area.

A stadium is also my preference to further housing developments which would add to the classic morning and evening rush hours. Messured traffic once a fortnight is so much better than say an extra thousand households trying to spill onto the A34 at 7.30am every morning returning in equal numbers at 5pm.

Kidlington is (was) a great village but has been left behind with other local communities lifting themselves up. I truly believe this will be good for the area and the wider Oxfordshire community.

The triangle has been an eye sore for all my 44 years I can remember. I'm excited about the proposed improvement in biodiversity. It's long overdue in my opinion.

I love my home and I would love to share it with Oxford United."/>
