Comments	<input type="text" value="Object due to no clear plans for safe access (surrounded by busy roads) No plan for vehicle parking (local roads will be will be unusable)
Proposals for road closures on match days will negatively effect local residents access to and from homes.
No clear plan for traffic management.
Land to be used is protected Green belt land and combined with other building projects already under way in the immediate area will negatively affect access to green spaces.
This site is not suitable for a stadium, the negative impact on local residents hugely outweigh any advantages."/>
