<b>Comments</b>	<input type="text" value="This really would be the best decision. It's right by the train station and park and ride. Also on a very good bus route. For 2 days a week it's totally manageable. We certainly wouldn't be trapped in our village as there are more than one way in and out. There is so much more that can be offered here. We would be the envy from many people to have this lovely stadium on our doorstep. It will create jobs for local people as well as others. I can only see a positive future for Oxford united to move out to kidlington. Bring it on do we can give them a very warm welcome."/>
