<b>Comments</b>	<input type="text" value="I am an Oxford boy, born in Cutteslowe and growing up around North Oxford (including Kidlington). As a youngster finding proper sports facilities to play on was always difficult and first and foremost the stadium will be a great facility for the local community and a way to support local youngsters to get into sport.&lt;br/&gt;&lt;br/&gt;As an Oxford United fan this stadium is crucial to our survival. The situation with the Kassam Stadium is unforgivable, and the rent is killing the club. OUFC is at the heart of Oxford and the community and it's great go finally see the local councils supporting the club for a proper home. Please approve this stadium for the good of the whole of Oxford and Oxfordshire."/>
