Comments	<input type="text" value="This project is very much needed by the people of Kidlington. It will be a facility for all. Not just football for Oxford United, it will provide education and jobs for our children, help provide sporting facilities for the people and children of the village, and help greatly with local businesses who are fully able to tap into the locality of this stadium. It really is a no brainer for the village as a whole. We need to accept this very generous offer from the owners and staff of Oxford's biggest and best local football side. The location is perfect for the green side of things also. A big thumbs up."/>
