<b>Comments</b>	<input type="text" value="I urge you to approve OUFC's planning application to build a new stadium on the triangle. Not only will this secure professional football in Oxfordshire but it will enable them to continue with their community activities that are provided to all walks of life.&lt;br/&gt;&lt;br/&gt;Rather than driving to the football this location will enable me and family to leave our car on the driver and use public transport due to the excellent transport links between Bicester and Kidlington.&lt;br/&gt;&lt;br/&gt;If planning permission is granted, Cherwell will have a sustainable facility to be proud of and the local community will benefit commercially due to the increased footfall and leisurely with first class sporting facilities being provided"/>
