<b>Comments</b>	<input type="text" value="I'm supporting the application because it is the only professional football club in the county. It means so much to me and thousands of other people. I've been a season ticket holder since 1980-1981 and it's my passion and my life. And I've been recently been diagnosed with Parkinson's,the improved accessibility will be a major blessing for me and others. And looking at all the plans it is surely a major blessing to the whole community which it will serve"/>
