Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I fully support the proposal for the new ground, it will help out local professional team push on through the leagues and hopefully the premiership in the near future,I think it would be a great local asset to have in the area,it will provide jobs for local people and also provide local business such as pubs,shops,restaurants,bed and breakfast with much needed trade,I think it would be foolish to let this opportunity go"/>
