<b>Comments</b>	<input "="" type="text" value="OUFC being the only professional football club in the county need and deserve to have a permanent home.&lt;br/&gt;&lt;br/&gt;The club works tirelessly for the community, being inclusive and such a lifeline for so many including both the young, and the old. Being part of a fan base provides a sense of belonging, and social time with family and friends.&lt;br/&gt;&lt;br/&gt;The current owners plans are very much in keeping with a forward thinking approach to sustainability, and mindfulness around the local community. The new ground would provide much needed regeneration and facilities to the local area and excellent job prospects. The club are committed to ensuring the local community benefits from new facilities, and it's positive impact on future generations of our county,"/>
