<b>Comments</b>	<input type="text" value="This application from Oxford United as taken all the views from the general public to make sure it is fit for purpose for everyone. This stadium will not only benefit Kidlington but the whole of the county. With the club being able to have use and access 24/7 it can be used for other Oxfordshire events and attract all different people to use the facilities. It will provide jobs and opportunities for other residents and give a much needed uplift for Kidlington with a hotel, gym and restaurants for people to use outside of match days. This application must pass so Oxford United Football Club has a future."/>
