Comments	<input type="text" value="Fully support the development of the new OUFC ground. The city and county needs assets it can be proud of and which enhance both. As well as a football club that flourishes in a modern, sustainable and financially credible stadium. Everything must be done to support this development and ensure that the football club can continue to grow and represent the best of sport in the county and the populations of the city and county can enjoy the benefits of this facility too."/>
