<b>Comments</b>	<input type="text" value="I have been a supporter of Oxford United for over 50 years. My daughter and grandson are also supporters. When my grandson was in his early teens he attend the regular Saturday morning sessions put on by the club. He is now 38. As all three of us live in Bucks we have travelled in cars but if the new stadium is built we will be able to travel to games using East/West rail from the new Winslow station direct to Oxford Parkway. Oxford United has been my hobby and social life for over 50 in years as it will be for my daughter and grandson. The club must not be allowed to die as I know my story will be replicated for many thousands of Oxfordshire residents and 'ex pats' now located in surrounding counties and further afield. This application must be approved for the good of the county and generations of children in the future."/>
