Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I really hope that you support this application.
As a relatively young person, I really value sporting facilities for all people of Oxfordshire. I think that this could be a fantastic stadium for young people.
I have in the past played football at Stratfield Brake. The pitches were poor and facilities outdated. I understand that Oxford United will help to maintain the pitches and this will be really good for the sports clubs playing there."/>
