Address	<input type="text" value="34 Truemper Grove,Caversfield,Bicester,OX27 8FD"/>
Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Strongly support this application.
The location appears to be the ideal site, based on it's proximity to existing train station and park and ride sites.
Oxford United are committed to building a stadium with minimal on site parking, thus making it easier for fans to arrive via public transport, which in turn makes it a more environmentally friendly development.
Oxford United have already planned for a green build with renewable energy sources being at the forefront.

The stadium and investment in the local area will be a huge boost for local residents . Oxford United helping local sports clubs and the community with improved facilities should be welcomed as current facilities are in dire need to help.

Oxford United are Oxfordshires only professional sports team, and without this new stadium as their home, face the real prospect of being homeless and as a result no longer existing. They have given so much enjoyment to generations of Oxfordshires residents over many years, it would be unimaginable for future generations to miss out.

Please do the right thing and support Oxford United's application and give the club permission to build their new home."/>
