<b>Comments</b>	<input type="text" value="I'm in total support of the new Oxford Utd stadium , this is a once in a lifetime opportunity for the whole of Oxfordshire and a stadium that everyone should be proud of. The location could not be in a better place for Transport links and this in itself puts the Kassam stadium to shame.&lt;br/&gt;This eco friendly stadium will be the greenest stadium in the country , i travel currently in a car to every game with 3 other people as there is no other option for us, but this will change if you allow this stadium to go ahead and id imagine this to be the case for thousands of others.&lt;br/&gt;&lt;br/&gt;As you are aware Oxford Utd will be homeless after the end of the 25/26 season so i implore you to allow this planning application to go ahead or the implications are we will have no professional sports club in this great county"/>
