| <b>Comments</b>           | <input type="text" value="I fully support this application although I do not live nearby, I am an Exeter City supporter Quite simply, the Oxford United Fanbase does not deserve to see its club go homeless and this stadium would be a huge community asset for years to come. It would bring in a huge boost to the local economy, and football clubs of course are the beating heart of their communities."/>                                                                                            |
