<b>Comments</b>	<input type="text" value="I think this is a fantastic opportunity for the people of Oxfordshire to have world class sporting facilities in the county, and will be enjoyed by many generations to come. It will be great to have both the men and women's side sharing the same facility, promoting sport to a far wider reach of the community.&lt;br/&gt;The green credentials of this project coupled with the incredibly close, well connected transport links, make this a sustainable project that has our future environment at its core"/>
