<b>Comments</b>	<input type="text" value="This proposal has the majority of local opinion against it, as evidenced in the local poll last year. It would therefore be undemocratic to proceed.&lt;br/&gt;&lt;br/&gt;The proposal will cause massive disruption to local people, many of whom are against the proposal. Its not fair that these people should have this inflicted on them for the benefit of a few.&lt;br/&gt;&lt;br/&gt;Planning was refused for much needed affordable homes on the oxford greenbelt citing environmental reasons. Those reasons should also apply regarding the stadium proposal."/>
