Dear Planning Department,

I write as I wish to comment regarding the planning application your reference:  
24/00539/F

Having viewed your website, I cannot find any option with the brief details of this application to provide comments?  
Am I missing something?

In essence, I support this application. I hope it will receive planning consent.

Having stated this, I further add, that I live in OX2 8LT, relatively close to this proposed development, so while I can envisage various negative traffic impacts which will disadvantaged vehicle access, which I hope can be effectively policed and managed, I am not a NIMBY. I think this stadium will have an immense benefit for Oxfordshire as a whole and for the aspirations and opportunities for local people per sa.

Yours sincerely,

David Stone, MSc., CDMP., Cam.Dip., Ad.Mob.
