<b>Comments</b>	<input type="text" value="To survive, Oxford United needs to have its own stadium. One which is free of the burden of extortionate rental charges, so that they grow to be the club that the whole of Oxfordshire can be proud of. The location chosen, has fantastic links to public transport, particularly when compared to their current stadium. It will provide a facility that can be used for a variety of purposes and events, which will bring much needed revenue streams to the area."/>
