Comments	<input type="text" value="A football club that began in 1893 absolutely deserves this stadium. The building of this will bring huge prosperity to Kidlington. OUFC do a lot of excellent work for the community, encouraging both boys and girls to participate in sport. This stadium and facilities will bring lots of jobs for local people. Considering OUFC were refused the original land they wanted - Stratfield Break, they are still willing to fund the upkeep of that land so that sport can continue there. OUFC desperately need and deserve this stadium. I attended my first match at 5 years old, I am now 72 and back them all the way."/>
